Question 1:

style_me.html:

style.css:

Output:

Question 2:

styled_box.html:

style_me.html | style.css B24CS013_Task_01 | styled_box.html | style.css B24CS013_Task_02

B24CS013_Task_02 > styled_box.html > body > div

```html
<!DOCTYPE html>
<head>
    <title>Creative Box and Text Design</title>
    <link rel="stylesheet" type="text/css" href="style.css">
</head>
<body>
    <div>
        <h1 class="main-heading">Creative Box and Text Design</h1>
        <div class="box">
            <p>
                Rectangular box with:
                <ul>
                    <li>Yellow background</li>
                    <li>Blue border (5px solid)</li>
                    <li>Padding (20px) and margin (30px)</li>
                </ul>
            </p>
        </div>
    </div>
</body>
</html>
```

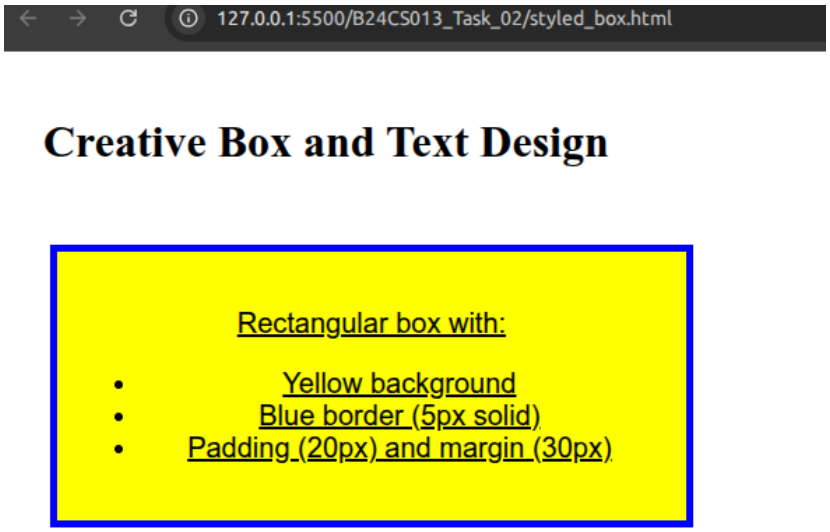

style.css:

style_me.html | style.css B24CS013_Task_01 | styled_box.html | style.css B24CS013_Task_02

B24CS013_Task_02 > style.css > .box:hover

```css
.box{
    background-color: yellow;
    border: 5px solid blue;
    padding: 20px;
    margin: 30px;
    width: 30vw;
    font-family: Arial;
    font-size: 20px;
    text-align: center;
    text-decoration: underline;
}
.box:hover{
    background-color: lightblue;
    border-color: green;
    color: red;
    font-weight: bold;
    text-decoration: none;
    text-align: left;
}
.main-heading{
    padding: 25px;
}
.main-heading:hover{
    color: orange;
}
```

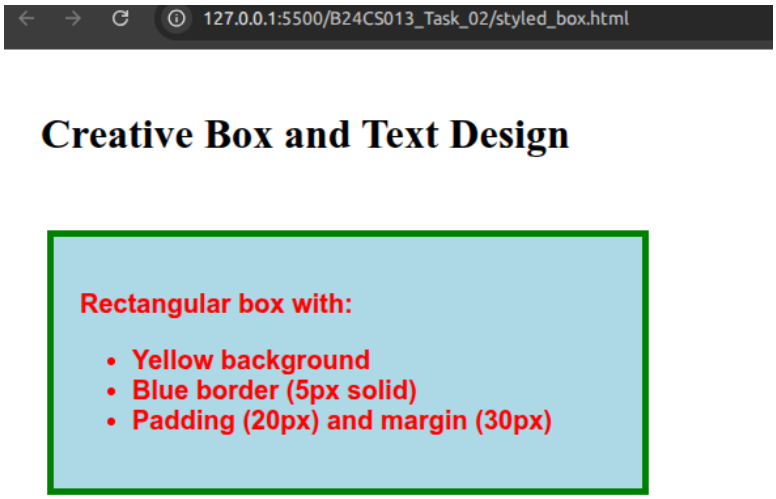

Output before hover:

after heading hover:

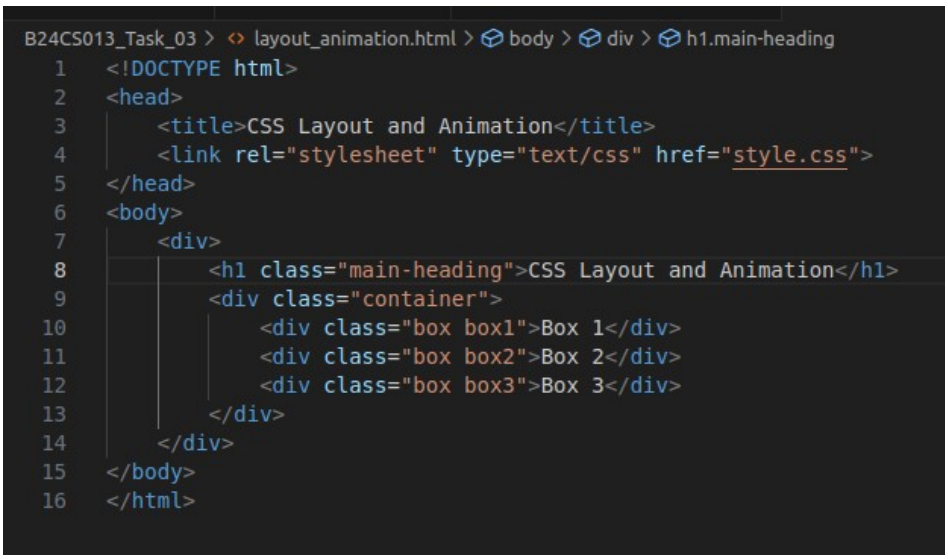

After paragraph hover:

Question 3:

layout_animation.html:

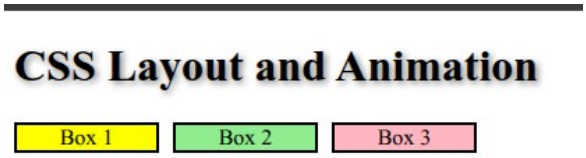

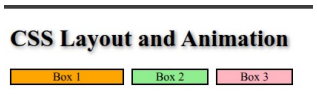

```
B24CS013_Task_03 > layout_animation.html > body > div > h1.main-heading
<!DOCTYPE html>
<head>
    <title>CSS Layout and Animation</title>
    <link rel="stylesheet" type="text/css" href="style.css">
</head>
<body>
    <div>
        <h1 class="main-heading">CSS Layout and Animation</h1>
        <div class="container">
            <div class="box box1">Box 1</div>
            <div class="box box2">Box 2</div>
            <div class="box box3">Box 3</div>
        </div>
    </div>
</body>
</html>
```

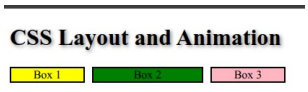

style.css:

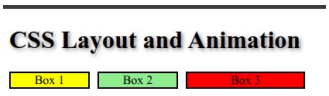

```
B24CS013_Task_03 > # style.css > .box
1   .container{
2       display: flex;
3       gap: 10px;
4   }
5   .box {
6       width: 100px;
7       text-align: center;
8       border: 2px solid black;
9       display: inline-block;
10      transition: all 0.3s ease;
11  }
12  .box1{
13      background-color: yellow;
14  }
15  .box2{
16      background-color: lightgreen;
17  }
18  .box3{
19      background-color: lightpink;
20  }
21  .box1:hover{
22      width: 150px;
23      background-color: orange;
24  }
25  .box2:hover{
26      width: 150px;
27      background-color: green;
28  }
29  .box3:hover{
30      width: 150px;
31      background-color: red;
32  }
33  .main-heading {
34      text-shadow: 2px 2px 5px grey;
35  }
```
