CSP203: Software Tools & Technologies Laboratory

Lab Exam - 3 (Latex)

Full Marks: 60 Time: 90 Minutes

Submission Instructions:

1) Answer all the questions.

2) Make two folders <Roll_No>_Task1 and <Roll_No>_Task2 and answer the questions. Make a zip folder which contains the above mentioned two folders.

3) Naming of the zip file should strictly follow the given format:
<Roll_No>_<Name>_<Lab Exam No>.zip

4) If your name is Shareen, roll number is B24CS055 then the filename should be:
B24CS055_Shareen_03.pdf

5) **Plagiarism is strictly prohibited.**

6) **You have to submit the answer script within the deadline mentioned.**

Task 1: Latex Basics [35 Marks]

Write latex code to create a clone of the attached Question No - 1 article. You should create a folder with the name <Roll_No>_Task1 and inside that folder you have to submit .tex, .pdf, .bib and all other supporting files while creating the clone of the given document. Your .tex, .pdf and .bib file should be named as <Roll_No>_Latex.tex, <Roll_No>_Latex.pdf, <Roll_No>_Latex.bib.

Parameters:

1. Document: Article.
2. Text size: 11pt
3. Text style: Times new roman

Note: You do not need to write the marks in your pdfs. In the place of 'Your Name', you should write your name and in the place of 'Roll Number', you should write your roll number.

For your reference the content of the .bib file is given as:

```
@article{size2020video,
  title={Video Streaming Market Size},
  author={Size, Graphene Market},
  journal={Share \& Trends Analysis Report by Streaming Type, by Solution, by Platform, by Service, by Revenue Model, by Deployment Type, by User and Segment Forecasts},
  volume={2027},
  year={2020}
}
@inproceedings{halder2021fybrrstream,
        title={FybrrStream: A WebRTC based efficient and scalable P2P live streaming platform},
        author={Halder, Debajyoti and Kumar, Prashant and Bhushan, Saksham and Baswade, Anand M},
        booktitle={2021 International Conference on Computer Communications and Networks (ICCCN)},
        pages={1--9},
        year={2021},
        organization={IEEE}
}
```

Task 2: Beamer Basics **[25 Marks]**

Write latex code to create a clone of the attached Question No - 2 presentation. You should create a folder with the name <Roll_No>_Task2 and inside that folder you have to submit .tex, .pdf, .bib and all other supporting files while creating the clone of the given document. Your .tex, .pdf and .bib file should be named as <Roll_No>_Beamer.tex, <Roll_No>_Beamer.pdf, <Roll_No>_Beamer.bib.

Parameters:

4. Background: blue with offset 15.
5. Theme: Madrid
6. Color theme: Rose
7. Text size: 10pt

Note: You do not need to write the marks in your presentation. In the place of 'Your Name', you should write your name and in the place of 'Roll Number', you should write your roll number.

For your reference the content of the .bib file is given as:

```
