Contains emph , special character and quotation: Write a short paragraph on the topic"Technology in Scientific Writing". In your paragraph, include one *emphasized* word, one proper quotation, and at least one & escaped special character.

subscript,superscript,GreekLetter: p_1, q^2, μ

Formula:

$$\sum_{k=1}^{n} \frac{k}{n}$$

Itemize:

- Make a bulleted list of any three advantages of structured writing systems.
- Make a bulleted list of any three advantages of structured writing systems.
- Make a bulleted list of any three advantages of structured writing systems.

subscript and superscript: Write the n-th term of a geometric progression (GP) using both subscripts and superscripts.

$$a_n = a_1 r^{n-1}$$

Exponential: Typeset the below exponential equation :-

$$k = Ae^{-\frac{E_a}{RT}}$$

Image:

Figure 1: Image

Equation:

$$S_n = \frac{n}{2}(a_1 + a_2)$$

Mathematical

$$a^2 + b^2 \geq 2ab$$
